MEMORANDUM FOR: Chief of Operations, OC

FROM:

[REDACTED]  
Chief, Management and Plans Staff, OC

25X1

SUBJECT: Weekly Staff Notes, 23 - 29 November 1986

1. General:

a. During the afternoon of 25 November, [REDACTED] attended a meeting between DDS&T/ORD and DA office representatives. The primary purpose of this informal session was to afford ORD an opportunity to explain revisions to their research and development (R&D) planning cycle and discuss two proposed initiatives (automated training and text handling) of interest to the Directorate. Although ORD expressed an interest in undertaking a "handful" of requirements that have a clearly defined practical application and are manageable from a budgetary standpoint, it was apparent that the thrust of this meeting was to exchange ideas of mutual interest rather than establishing a list of new initiatives.
